**WHEREAS**, the Town of Plattsburgh Planning Department has Geographic Information System (GIS) software but has had no formal training on its use; and

**WHEREAS**, the Town of Plattsburgh Planning Department has planned and budgeted, during the 2007 year, for training on the GIS software; and

**WHEREAS**, it is in the best interest of the Town to have someone trained on the software with skills necessary to utilize GIS technology which links information (data) with geographic locations in a variety of applications such as land use planning, highway and water/sewer utility infrastructure; therefore it is

**RESOLVED** that the Planning Department be allowed to send Allen Reece, Planning Assistant, to attend the Fountain Spatial, Inc. Beginning Arc View software training class being held on April 30 – May 1 at the Fountain Spatial, Inc training center in Schenectady, New York; and it is further

**RESOLVED** that \$750.00 for the training, \$99.00 for lodging, and \$68.00 for meals, be charged to the Planning Department budget in support of the training; and

**RESOLVED** that if a town vehicle is available town vehicle must be taken or \$148.41 for mileage be charged to the Planning Department budget for travel to and from the training contingent on the required monies being available or transferred.

**Following action on resolution 07-106 the board returned to their regularly scheduled work session.**

**Respectfully Submitted,**

---

**Amy Duquette , Town Clerk**
