WHEREAS, the Town Board of the Town of Plattsburgh (the “Town”), a municipal corporation of the State of New York, located in the County of Clinton, hereby determines that it is in the public interest of the Town to authorize the financing of the costs of the acquisition, construction and reconstruction of improvements to town highways and roads, in and for the Town, including the acquisition of any applicable equipment, machinery, apparatus, land and rights-in-land necessary therefor and any preliminary and incidental costs related thereto, at a total estimated cost not to exceed \$1,000,000 in accordance with the Local Finance Law;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Plattsburgh, County of Clinton, State of New York, as follows:

Section 1. There is hereby authorized to be issued serial bonds of the Town, and/or bond anticipation notes issued in anticipation of the issuance of such serial bonds, in

the aggregate principal amount not to exceed \$1,000,000, pursuant to the Local Finance Law, in order to finance the acquisition, construction and reconstruction of improvements to town highways and roads, in and for the Town, including the acquisition of any applicable equipment, machinery, apparatus, land and rights-in-land necessary therefor and any preliminary and incidental costs related thereto (the "Project").

Section 2. The Town Board of the Town has ascertained and hereby states that (a) the estimated maximum cost of the Project is not to exceed \$1,000,000 (b) no money has heretofore been authorized to be applied to the payment of the costs of the Project, (c) the Town Board plans to finance the cost of the Project from the \$1,000,000 proceeds of the obligations authorized herein, and (d) the maturity of obligations authorized herein will be in excess of five (5) years.

Section 3. It is hereby determined that the items referred to in Section 2 hereof are specific objects or purposes described in subdivision 20(c) of paragraph a of Section 11.00 of the Local Finance Law, and that period of probable usefulness of such items is fifteen (15) years. The serial bonds in the aggregate principal amount of up to \$1,000,000 authorized herein shall have a maximum maturity of fifteen (15) years computed from the earlier of (a) the date of such serial bonds, or (b) the date of the first bond anticipation notes issued in anticipation of the issuance of such serial bonds.

Section 4. Subject to the terms and conditions of this bond resolution and the Local Finance Law, including the provisions of Sections 21.00, 30.00, 50.00 and 56.00 to 60.00, inclusive, the power to authorize serial bonds as authorized herein, and bond anticipation notes issued in anticipation of the issuance of such serial bonds, including renewals thereof, the power to prescribe the terms, form and contents of such

serial bonds and such bond anticipation notes, and the power to issue, sell and deliver such serial bonds and such bond anticipation notes, are hereby delegated to the Town Supervisor, as the chief fiscal officer of the Town. Section 5. The faith and credit of the Town are hereby and shall be irrevocably pledged for the punctual payment of the principal of and interest on all obligations authorized and issued pursuant to this bond Resolution as the same shall become due.

Section 6. When this bond resolution takes effect, the Town Clerk shall cause the same to be published, together with a notice in substantially the form prescribed by Section 81.00 of the Local Finance Law, in Press Republican , a newspaper having a general circulation in the Town. The validity of the serial bonds authorized herein, and of bond anticipation notes issued in anticipation of the issuance of such serial bonds, may be contested only if such obligations are authorized for an object or purpose, or class of object or purpose, for which the Town is not authorized to expend money, or the provisions of law, which should have been complied with at the date of the publication of this bond resolution, were not substantially complied with, and an action,

suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or if such obligations are authorized in violation of the provisions of the Constitution of the State of New York.

Section 7. Prior to the issuance of any obligations authorized herein, the Town Board shall comply with all applicable provisions prescribed in Article 8 of the Environmental Conservation Law, all regulations promulgated thereunder by the New York State Department of Environmental Conservation, and all applicable Federal laws and regulations in connection with environmental quality review relating to the Project (collectively, the “environmental compliance proceedings”). In the event that any of the environmental compliance proceedings are not completed, or require amendment or modification subsequent to the date of adoption of this bond resolution, the Town Board will re-adopt, amend or modify this bond resolution prior to the issuance of any obligations authorized herein upon the advice of bond counsel. It is hereby determined by the Town Board that the Project will not have a significant effect on the environment.

Section 8. The Town hereby declares its intention to issue the serial bonds authorized herein, and/or bond anticipation notes issued in anticipation of the issuance of such serial bonds (collectively, the “obligations”), to finance the costs of the Project. The Town covenants for the benefit of the holders of such obligations that it will not make any use of the proceeds of such obligations, any funds reasonably expected to be used to pay the principal of or interest on such obligations, or any other funds of the Town, and will not make any use of the Project which would cause the interest on such obligations to become subject to federal income taxation under the Internal Revenue Code of 1986, as amended (the “Code”) (except for the federal alternative minimum tax imposed on

corporations by section 55 of the Code), or subject the Town to any penalties under section 148 of the Code, and that it will not take any action or omit to take any action with respect to such obligations, the proceeds thereof or the Project financed thereby, if such action or omission would cause the interest on such obligations to become subject to federal income taxation under the Code (except for the federal alternative minimum tax imposed on corporations by section 55 of the Code), or subject the Town to any penalties under section 148 of the Code. The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of any serial bonds authorized and issued under this bond resolution, or any other provisions hereof, until the date which is sixty (60) days after the final maturity date or earlier prior redemption date thereof. The proceeds of any obligations authorized herein may be applied to reimburse expenditures or commitments of the Town made in connection with the Project on or after a date which is not more than sixty (60) days prior to the adoption date of this bond resolution by the Town Board.

Section 9. For the benefit of the holders and beneficial owners from time to time of the serial bonds authorized herein, and of bond anticipation notes issued in anticipation of the issuance of such serial bonds, the Town agrees, in accordance with, and as an obligated person with respect to such obligations under, Rule 15c2-12 (the “Rule”) promulgated by the Securities Exchange Commission pursuant to the Securities Exchange Act of 1934, to provide or cause to be provided such financial information and operating data, financial statements and notices, in such manner as may be required for purposes of the Rule. In order to describe and specify certain terms of the Town’s continuing disclosure agreement for that purpose, and thereby to implement that

agreement, including provisions for enforcement, amendment and termination, the Town Supervisor is authorized and directed to sign and deliver, in the name and on behalf of the Town, the commitment authorized by subsection 6(c) of the Rule (the “Commitment”) to be placed on file with the Town Clerk, which shall constitute the continuing disclosure agreement made by the Town for the benefit of holders and beneficial owners of such obligations authorized herein in accordance with the Rule, with any changes or amendments that are not inconsistent with this bond resolution and not substantially adverse to the Town and that are approved by the Town Supervisor on behalf of the Town, all of which shall be conclusively evidenced by the signing of the Commitment or amendments thereto. The agreement formed collectively by this paragraph and the Commitment shall be the Town’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the Town would be required to incur to perform thereunder. The Town Supervisor is further authorized and directed to establish procedures in order to ensure compliance by the Town with its continuing disclosure agreement, including the timely provision of information and notices. Prior to making any filing in accordance with the agreement or providing notice of the occurrence of any material event, the Town Supervisor shall consult with, as appropriate, the Town Attorney and bond counsel or other qualified independent special counsel to the Town and shall be entitled to rely upon any legal advice provided by the Town Attorney or such bond counsel or other qualified independent special counsel of the Town in determining whether a filing should be made.
