**APPLICATION FOR RESIDENTIAL ENTRANCE ONTO A TOWN ROAD
(Under section 136 of Highway Law)**

Name of Applicant: _____ Phone # _____ / _____ / _____

Mailing Address: _____

Location of Proposed Entrance: _____

- *****1. The exact location of the proposed entrance must be identified with stakes or flags.
2. A representative of the Town Highway Department will inspect the site to determine if the location requested is acceptable and if a culvert pipe is needed and if so the size and length of said pipe.
3. If it is determined a culvert pipe is required, the applicant is responsible for purchasing the pipe. The Highway Department will install the pipe at no additional charge to the applicant. Please allow two to three weeks for installation.
4. The diameter, length, and type of pipe will be stated on the bottom section of this permit, please notify this Department as to when the pipe is on site.
5. This application may be denied if it is determined the proposed entrance will interfere with or create a hazard to the traveling public.
6. In consideration of granting this permit, the undersigned accepts it; subject to the general and special conditions as described.
