Hi Erin,

As requested, here is our quote for furnishing/delivering engineered wood fiber:

by Zeager Bros. WOODCARPET engineered wood fiber which would be delivered to any of the three zip codes of 12901, 12918, and 12962 --- 100 cubic yards --- including freight/delivery to a site accessible by our truck which would be totaling a minimum of ***four orders would be each... 2,891.00.***

Remember, after seven days, this quote could incur a diesel surcharge due to the current unstable freighting market conditions.

Thank you for this opportunity to be of service improving your playgrounds!

Please get in touch with any question(s) you may have.

Pete Jeffrey
