TOWN OF Plattsburgh Dog Report

April 1-2022- May-31, 2022

Town of Plattsburgh DCO report for April 1, 2022 through May 31 2022. During this time I was called upon to perform the duties of the DCO for the town of Plattsburgh five times. I have also received and fielded multiple phone calls from residents ranging from dog barking complaints to welfare checks on animals. In most cases the callers were told to contact the town of Plattsburgh and follow the procedures that were set up.

1/ After serving two Court summonses I was asked to appear at town court for the town of Plattsburgh. On April 7 at 5 PM I arrived at court. Unfortunately court was postponed due to the fact that neither one of the defendants appeared. Court was rescheduled for May 12 at 4 PM. - 1 hour.

2/ On May 12 at 4 PM. Again, I appeared at the town of Plattsburgh court this time. One individual arrived. Again, the second defendant did not appear at court. The first defendant was arraigned in court and a court date was again set to a later date. 5-7 pm 2 hours.

3/ Later that evening, I was contacted by the Clinton County Sheriff's office and asked to assist them in retrieving a dog that was running around the military Turnpike extension. - 1 hour.

4/ May 14 at 1 PM after being asked by the court to serve a subpoena on Crystal Rivers for her failure to appear at the town of Plattsburgh court. When I arrived at her residence I was informed by her neighbor that she had left the area and did not leave a forwarding address. Her neighbor suspected that she moved to Peru to live with her boyfriend. Ms. Rivers took both dogs in question with her. The court was notified of the situation. - 30ms - 45 mins.

5/ May 19 I was informed that a dog was running loose in the Cumberland head area . The caller stated that the dog had been hanging around the neighbor's house all day long. When I arrived I found the dog at the designated address and contacted the town to see if a dog fitting that description was registered at this residence. I was informed that yes the dog was registered there and that the registered owner had been contacted to come and secure the animal. I waited at the residence until the owner arrived, and the dog was secured. No further action was taken. *1 hour.*

As of the 31st of May. I have not had to bring any dogs to the SPCA in Peru.
