Re: 2010 Trackless MT-6

I am requesting a resolution to purchase a used 2010 Trackless MT-6, serial #1281 with 3177 hours and 38,720 miles and includes one snow blower and truck loading chute from the Village of Saranac Lake. Our price would be \$15,000.00. This will be to replace our current Trackless which dates back to the late 1970's to early 1980's. A new basic Trackless would cost \$140,000.00 plus \$20,000.00 for the snow blower. Payment will come from the Highway Budget Equipment & Capital Outlay Account #DAA.5130.2000.0000. If you have any questions, please let me know.

Sincerely,
