

TOWN OF PLATTSBURGH
TOWN BOARD MONTHLY MEETING
May 4, 2023

Resolution No. 023-xxx

New York Road Green Infrastructure Project

WHEREAS, the Town of Plattsburgh, after due consideration, has determined that it is desirable and in the public interest to undertake the necessary planning, design, and funding activities for the reconstruction of New York Road including pedestrian walkways, bike-lanes and associated stormwater improvements; and

WHEREAS, these road and stormwater improvements have been identified in a feasibility study prepared by Laberge Group, dates June 2021; and

WHEREAS, the Town applied for, and received grant funding in the amount of \$388,874.00 from the NYSDEC Climate Smart Communities Project; and

WHEREAS, the Town of Plattsburgh has a current and active 2-year term contract with Laberge Group located at 4 Computer Drive West Albany, New York 12205 ; and

WHEREAS, Laberge Group is qualified to prepare maps, plans, surveys, investigations, environmental reviews, final designs, bid documents and conduct construction observation as necessary to complete the reconstruction of New York Road; and

WHEREAS, Part 617 of the Environmental Conservation Law - "State Environmental Quality Review Act" (SEQRA), provides for the review of any "ACTION" to determine the effect of the action on the environment, along with any related administrative procedures for the implementation, authorization or approval of the action; now therefore be it

RESOLVED, the Town of Plattsburgh shall undertake the reconstruction of New York Road including pedestrian walkways, bike-lanes and associated stormwater improvements; and, be it further

RESOLVED, that the Town of Plattsburgh's Town Board does hereby determine that the proposed project is an Unlisted Action which does not require a coordinated review however; the Town will communicate and coordinate with interested agencies as appropriate and necessary to conduct a complete environmental review of the project; and, be it further

RESOLVED, Laberge Group will be engaged by the Town to prepare maps, plans, surveys, investigations, environmental reviews, final designs, bid documents and conduct construction observation as necessary to complete the reconstruction of New York Road.
