Town of Plattsburgh 2024 Tentative Budget

Budget Process

The following step-by-step list outlines the budget adoption process from the initial stages through to its final adoption. Please note that there are some steps that the law requires be accomplished by a certain date — these statutory deadlines are listed below in bold.

Appointment of Budget Officer: The very first step in preparing a Town Budget is the Town Supervisor's decision to designate a Budget Officer. The Supervisor has appointed Patrick Bowen as the Budget Officer.

Development and Submission of Estimates: The Budget Officer works with the various Department Heads of the Town to develop reasonable estimates of the revenues and expenditures for the coming fiscal year. Budget estimates are submitted to the Budget Officer by September 20. The Budget Officer develops the tentative budget and files it with the Town Clerk by September 30. The tentative budget represents the initial working copy for the Town Board.

Presentation and Review of the Tentative Budget: The Town Clerk presents the tentative budget to the Town Board at a regular or special Town Board meeting which is held on or before October 5. The Town Board accepts the tentative budget and establishes the dates for budget workshops. The tentative budget represents the initial working copy for the Town Board and is subject to many revisions. At the budget workshop on October 14, the Town Board will meet with Department Heads to review and make any changes to the tentative budget that it deems necessary, consistent with law. The tentative budget will be available on the Town's website shortly after presented to the Town Clerk.

Adoption of the Preliminary Budget: Once the Town Board has concluded its review of the tentative budget, it needs to approve the tentative budget and any changes made thereto by resolution. The tentative budget so adopted by the Town Board then becomes the preliminary budget. The preliminary budget is filed with the Town Clerk, and the Town Clerk makes as many copies of the preliminary budget available for public distribution as the Town Board directs. Additionally, the preliminary budget will be available on the Town's website shortly after presented to the Town Clerk.

Public Hearing on the Preliminary Budget: The public hearing on the preliminary budget must be held no later than the Thursday following Election Day — for 2022, this will be November 9. Notice of the public hearing will be published in the Town's official newspaper, posted on the Town's website and the Town Clerk's bulletin board. The notice will state the time; place and purpose of the hearing and that copy of the preliminary budget are available for public inspection by anyone interested. The notice will also state the proposed salary of each member of the Town Board (including the supervisor), the elected Town Clerk and the elected Highway Superintendent. At least five days must elapse between the first publication of the notice and the date specified for the hearing.

Modification of the Preliminary Budget: After the public hearing has been closed, the Town Board may make any further changes that it deems necessary, consistent with law.

Adoption of Final Budget: After the Town Board has completed its review of the preliminary budget, made any changes it required and adopted the tax cap override (if necessary), the preliminary budget should be adopted as the final budget by Town Board resolution. The final budget must be adopted no later than November 20 and entered in full in the minutes of the Town Board. The final budget will be available on the Town's website shortly after adoption by the Town Board.

Receipt of Fire District Budgets: The boards of fire commissioners must file their estimates with the budget officer by September 20. The estimates must be in the same format as the town budget. The budget officer must affix the fire district budget to the town tentative budget. No changes may be made in the fire district budget by either the budget officer or the town board.

School District Budgets: School districts are responsible for the development of their own budget. The board of education is required to approve the budget before their budget is presented to the voters. Final authorization of each district's budget rests with the voters of that district. Towns do not participate in the school district budget process.
